lash line enhancement *healing process*

DAY 1:

wow they look so good! a little dark & swollen though.

DAY 2:

the swelling is gone & the color is dark.

DAY 3-4:

the color is flaking off.

DAY 5-6:

my lash line is lighter & the color seems uneven in a few places.

DAY 30:

I can't wait for my touch up appointment!

after touch up:

my lash line looks great!! I love it.

LASH LINE ENHANCEMENT AFTERCARE:

keep the area dry for 7-10 days. this does not mean don't wash your face--just be careful around your lash line!

avoid direct sun exposure or tanning for 3-4 weeks after your procedure.

avoid sleeping on your face for 7-10 days after your procedure.

avoid heavy sweating for 7-10 days after your procedure.

contact your physician immediately if there's any sign of possible infection.

DO NOT use a washcloth, pick, or scratch the tattoo area.

DO NOT use steam, sauna, or swim for 7-10 days after your procedure.

DO NOT put makeup on the tattoo area for 7-10 days after your procedure.

NO contact lenses for 24 hours after your procedure.

NO lash extensions for 2 weeks after your procedure.
